# Steps | Traditions | Concepts

**Step 8:** Made a list of all persons we had harmed, and became willing to make amends to them all.

**Tradition 8:** Alcoholics Anonymous should remain forever nonprofessional but our service centers may employ special workers.

1. Is my own behavior accurately described by the Traditions? If not, what needs changing?
2. When I chafe about any particular Tradition, do I realize how it affects others?
3. Do I sometimes try to get some reward - even if not money - for my personal efforts?
4. Do I try to sound in AA like an expert on alcoholism? On recovery? On medicine? On sociology? On AA itself? On psychology? On spiritual matters? Or, heaven help me, even on humility?

**Concept 8:** The trustees are the principal planners and administrators of the overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.

1. Do we understand the relationship between the two corporate service entities (AA World Services, Inc. and AA Grapevine, Inc.) and the General Service Board?
2. How can the business term “custodial oversight” apply to the trustees’ relationship to the two corporate service entities?
