The 7th Tradition Where Money & Spirituality Mix

EXPOSED

“The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise. Then, too, we view with much concern those A.A. treasuries which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority.”—Tradition Seven (long form)

With the realization that A.A. must steer clear of outside contributions in order to maintain its autonomy and independence came the understanding that the money necessary for A.A.’s survival would have to come from individual A.A. members and groups. As Bill W. put it in 1957, “Our spiritual way of life is safe for future generations if, as a Society, we resist the temptation to receive money from the outside world. But this leaves us with a responsibility — one that every member ought to understand. We cannot skimp when the treasurer of our group passes the hat. Our groups, our areas, and A.A. as a whole will not function unless our services are sufficient and their bills are paid.

“When we meet and defeat the temptation to take large gifts, we are only being prudent. But when we are generous with the hat we give a token that we are grateful for our blessings and evidence that we are eager to share what we have found with all those who still suffer.” (*The Language of the Heart*, p. 221) The paradox of A.A. is that financial independence and the support of our Fellowship by alcoholics and alcoholics alone, not only enhances A.A.’s

importance to each of us, but stimulates our engagement in our own recovery . . . A.A. is ‘our thing,’ from our group’s treasury to the balance sheets at the General Service Office. Now that we are sober in A.A., the word ‘support’ has to do with sharing, people, self-respect, gratitude, and what we are privileged to give — not take — in material terms. While the Fellowship has always faced problems of money, property, and prestige in one form or another, through the wisdom of the Seventh Tradition we have never been diverted from our primary purpose of carrying the message to the alcoholic who still suffers — wherever he or she may be. This is the fundamental work of Alcoholics Anonymous, and to ensure that the hand of A.A. will always remain outstretched, money and spirituality must continue to mix. And for that, we are all responsible. - Reprinted with permission of AAWS F-3

Minutes to be Removed from the Today

◆ BRIDGING THE GAP ◆

A TEMPORARY CONTACT PROGRAM

If you are in a correctional/treatment facility, give us a call. Getting back into “real world” is not always easy for the alcoholic. Many of us had not been sober on the outside for a long time, and we admitted that the first days out were a little frightening. Sometimes, we did not know if we would stay sober. Even new members of A.A. usually know that they cannot make it alone. The dilemma for some of us was that we were not sure we could make it in A.A. either. We said things like, “Where will I find a meeting I can be comfortable in?” or “I will be able to trust?” It was tempting to give in to “I won’t fit in”, or “I’m too different.” Lots of alcoholics think like this; **WE DID**. To begin contact and request help from A.A. volunteers, call the Intergroup Office or email Bridging the Gap Coordinator at: bridgethegap@aa-palmbeachcounty.org

Registrar: Gary B.: The days of our sign-in sheet for our monthly meetings have come to an end. Today, you were handed a Data Management Registration Form. This will serve as the foundation of Palm Beach County Intergroup's initial data base. Next month, when you arrive for the meeting you will see the database. Please locate your group and verify that the information is accurate. If said information is correct, initial by your name to signify your attendance at the meeting. If the information is not correct, please draw a line through the inaccurate information, and fill out another Data Management Form so I can correct the information. You should receive the agenda and minutes of today's meeting in about 10 days. If you do not receive this, please call Ed at the Intergroup office. He will then notify me and I'll get you the minutes. Please be patient as this process develops so we can serve all of you and your group as effectively as possible. Thank You for the opportunity to serve. In Love & Service, Gary B.

Office Manager's Report: Ed B.: The total Office activity for the month of May was 627 compared to 522 last year. There was large increase in the number of emails we received, due to an increased use of the Internet for meeting requests, changes in Group information, requests for information on Intergroup activities, etc. The Website activity was 2,267 compared to 2,107 last year. Since our Treasury has been steadily improving, and we can take advantage of quantity discounts, we have reduced the price on the following: "Big Books," (HC) \$9.00; "Big Books," (SC) \$8.50; "12&12," (HC) \$8.50; "12&12," (SC) \$8.00; "Came to Believe," \$4.50; "Living Sober," \$4.50. In the coming months we will continue to look for ways of reducing expenses, and ways to further reduce the cost of literature. We currently have a full staff of Office Volunteers, but we can always use back up volunteers. The Intergroup Office will be closed Monday, July 4th for Independence Day. The Intergroup Office hours are Monday to Friday, 9 AM – 5 PM and Saturday 9:30 AM – 1:30 PM. In love & service, Ed.

*** Tradition 7:**

**Every AA group ought to be fully self-supporting,
declining outside contributions.**

1. Honestly now, do I do all I can to help AA (my group, my central office, my GSO) remain self-supporting? Could I put a little more into the basket on behalf of the new guy who can't afford it yet? How generous was I when tanked in a barroom?
2. Should the Grapevine sell advertising space to book publishers and drug companies, so it could make a big profit and become a bigger magazine, in full color, at a cheaper price per copy?
3. If GSO runs short of funds some year, wouldn't it be okay to let the government subsidize AA groups in hospitals and prisons?
4. Is it more important to get a big AA collection from a few people, or a smaller collection in which more members participate?
5. Is a group treasurer's report unimportant AA business? How does the treasurer feel about it?
6. How important in my recovery is the feeling of self-respect, rather than the feeling of being always under obligation for charity received?

*** Concept 7 :**

The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.

- Do we act responsibly regarding the "power of the purse?"
- Do we realize that the practical and spiritual power of the Conference will nearly always be superior to the legal power of the G.S.B.?

In Loving Memory

With gratitude, we remember and celebrate the
lives and sobriety of those we were blessed to
have met as we trudge the road of happy destiny.
